Thank You

Very much for taking the time to examine our catering menu. We have been catering for over twenty years. We started our first restaurant at the Fairfield County Fairgrounds in 1986 serving 4-H club members, horse racing drivers, and people attending the last & largest fair of the season.

Our restaurant in Pleasantville, Ohio has been open for over fourteen years serving Italian, Steak, and Seafood dinners along with Grinders, Pizza and a variety of carry out or delivered foods. Our renovated facility is able to provide a casual country setting for a variety of business or social functions.

We are adept at indoor or outdoor functions, i.e.; rehearsal dinners, weddings, wedding or baby showers, anniversary or birthday parties, corporate dinners, and company picnics. We can provide most any service that is needed to enhance your function. This includes: tents, chairs, tables, sound systems, DJs, flowers, and linen service.

Our philosophy is to provide quality cuisine and the best service while keeping our prices affordable. If you have questions, please call me at any time. Thanks again for your considerations.

Sincerely,
